

Mr.CEO's Beloved Wife Novel Chapter 16 To 20

Chapter 16

"Can I go now?" Mu Qinghuan stood up and asked.

She didn't know why, but she was very nervous in front of this man. She didn't know if it was because her first time meeting this man was so explosive and powerful that she couldn't calmly face him.

Mu Qinghuan only wanted to quickly leave this place and distance herself from this man.

"Woman, you're thinking pretty well of yourself if you don't want the money." Ji Chenyuan put away his phone and calmly sat on the sofa. He then slowly picked up the teacup on the table and started to taste it.

Even though the man was wearing a bathrobe with its collar slightly open, revealing his delicate collarbone, it couldn't stop his elegant temperament.

But what did he mean by that?

"Mister, did you misunderstand?" Mu Qinghuan frowned slightly. "I only entered because of my son's prank ..."

"Heh." The man held a teacup and leisurely sipped his tea. He was stingy with his eyes.

With that reaction, even the tip of his foot could tell that he didn't believe a single punctuation mark.

Moreover, from beginning to end, he had been disdaining her.

Mu Qinghuan could only feel a stifling sensation in her chest as she didn't manage to catch a breath.

"You ..."

"The door can't be opened. You should have heard something on the phone just now." Mu Qinghuan had just opened her mouth when she was interrupted by a man.

The man's expression was still calm and indifferent, but Mu Qinghuan could feel a faint ridicule in his dark eyes.

It was as if he was mocking her for wanting to capture him.

How narcissistic was this man!

Alright, although he did look very handsome and he looked a bit familiar, that wasn't the main point.

The point was, was she really going to spend the night in the same room as this man?!

Mu Qinghuan's expression instantly turned colorful.

From that night four years ago, she had already rejected all these, not to mention that she was now spending the night with an unfamiliar man!

"Don't worry. I won't touch you. After all ..." The man seemed to know what she was thinking about. He suddenly raised his head and looked at her with a smile that wasn't a smile. "I lost out in sleeping with you."

Mu Qinghuan: "..."

He nearly bit off a mouthful of his gums.

This person's words were extremely poisonous!

How was she so bad?

However, since the other party had already said so, she felt slightly more at ease. It would be great if it was as he said.

As long as he endured this night ...

Mu Qinghuan knew that she wouldn't be able to get out today. She could only wait until the next morning when the door opened before she hid herself in a corner of the sofa.

Fortunately, the man really didn't seem to be interested in her and kept busy with his own matters.

The night was low, and the hour hand moved slowly through the night.

Mu Qinghuan leaned against the sofa. She had been tense and didn't dare to sleep, but she couldn't bear it any longer and unconsciously fell asleep.

In the middle of the night, Mu Qinghuan couldn't help but go to the bathroom. Once she returned, she would habitually walk towards the bed.

Slippers, bed, quilt.

He moved smoothly and naturally, he closed his eyes and went back to sleep.

The man who seemed to be sleeping soundly suddenly opened his pitch-black

eyes and fiercely glared at the girl in front of him who didn't know the limits of the heavens and earth and was shameless in trying to seduce him and climb into his bed in the middle of the night.

This woman was really bold to the point that she could go up to the heavens.

The man's face darkened. He raised his foot to kick the woman off the bed.

However, he still hadn't moved. Mu Qinghuan, who had been sleeping soundly, unconsciously turned over. She was hanging on his body like a koala!

Chapter 17

Mu Qinghuan had obviously slept too deeply. She had mistakenly treated Ji Hanyuan as her son, Mu Hanxing, and hugged him as she slept.

The man smelled especially cool and refreshing, causing her to stick closer to him. Her small head even rubbed against his chest as she continued sleeping.

Ji Yuan only felt that the woman's sweet and soft body was sticking close to his arm, especially that soft spot on his arm. In the darkness, it was as if his five senses had magnified several times in that instant.

The moment he opened his eyes, he could clearly see the delicate and exquisite face of a woman through the moonlight. She was beautiful, with vermilion lips and a lustrous luster. Her breath was filled with a sweet fragrance that belonged solely to her ...

Ji Yuan suddenly thought of that night four years ago when he was in chaos because of an accident.

The smell of the woman was very similar to the one in front of him.

Suddenly, the woman in his embrace moved unconsciously. The man only felt a flame rush to his lower abdomen. His entire body tensed up as his Adam's apple involuntarily moved up and down ...

Damn it!

This woman was definitely doing it on purpose!

Ji Yuan suppressed the anger in his heart and forcefully pushed Mu Qinghuan away as he laid on the other side, away from this woman.

All night long, until the end of the season, he didn't know how he had fallen asleep.

However, when he opened his eyes, a sliver of surprise flashed across his eyes after a moment of confusion.

Ji Yuan stared intently at the woman who was still sleeping by his side ...

Mu Qinghuan drowsily opened her eyes. Her sleep made her feel a little tired. It was as though she had been beaten up at night.

Did Little Xing treat him as a blanket at night?

Mu Qinghuan rubbed her eyes as she planned to correct the child's sleeping posture ...

Mu Qinghuan saw a grave and indifferent face, a pair of deep and cold eyes looking at her sharply.

Mu Qinghuan exclaimed, "Ah!"

After being stunned for three seconds, a deafening scream escaped his mouth.

"BOOM!"

Mu Qinghuan retreated continuously before falling off the bed. Her buttocks fell heavily to the ground, causing her to let out an involuntary cry of pain.

"You, you ..." "How could you ..."

Why would she sleep with him?!

Mu Qinghuan lowered her head in panic. She finally heaved a sigh of relief. It was a good thing that her clothes were still intact ...

"Woman, it was you who came to my bed in the middle of the night to seduce me." Seeing her expression, Ji Yuan coldly mocked her.

Who wants to seduce you!

But it really seemed like she had crawled into bed herself.

Mu Qinghuan knew that she had no way to explain herself, so she simply didn't say anything and headed for the door.

He tried the handle and it opened!

Mu Qinghuan didn't pay attention to that. She didn't wait for the man to speak before opening the door and running away.

She didn't want to stay a moment longer, especially with that man!

Ji Chenyuan stood on the spot, watching as the woman left without looking back. The words that came out of his mouth were stuck in his throat.

"..."

The man left the room with a dark expression.

At this moment, his phone rang. It was Chu Hanyu.

Heh, since people didn't dare to appear in front of him, they could only make phone calls.

"Boss ..."

As expected, Chu Han Yu felt guilty even as he heard the sound of her voice.

"Boss, I heard from my subordinate that he has already left. How are you and that girl doing? If you think it's not bad, you can come straight to the point! "

"Even our sons have a woman, and a husband has a wife. Chu Han Yu, do you want me to be your mistress?" Ji Yuan's long and narrow black eyes narrowed dangerously.

"Having a son?" "Impossible!" Chu Han Yu froze for a moment before loudly rebutting.

Chapter 18

In the control room.

Looking at the surveillance screen, Chu Han Yu realized it was a black dragon!

The woman who entered the boss' room yesterday was not the person he had prepared!

"Boss, this is all an accident. That woman ran away wrongly, and that child's guts are just too big. He actually dared to impersonate the boss' son. Otherwise, the doorman wouldn't dare to let him in." Chu Han Yu hurriedly

explained, his eyes carefully looking at the man sitting in the main seat, his aura cold and threatening.

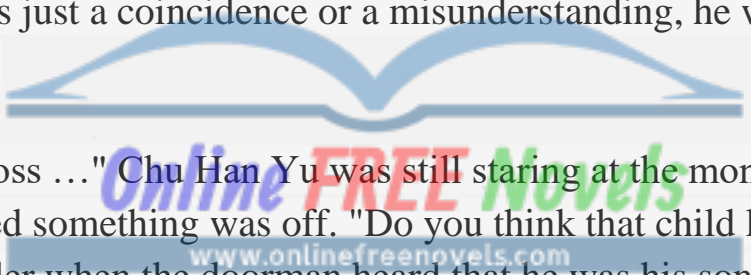

Ji Chenyuan narrowed his eyes slightly and did not say anything.

He didn't think that the woman was telling the truth and wasn't lying.

Heh, but that doesn't preclude her from approaching him on purpose. Otherwise, why would her son follow him and pretend to be his son?

Moreover, there was one thing that he cared about that woman.

If all of this was just a coincidence or a misunderstanding, he wouldn't believe it at all!

"Speaking of boss ..." Chu Han Yu was still staring at the monitor screen when he realized something was off. "Do you think that child looks like you?" No wonder when the doorman heard that he was his son, he did not doubt it at all! "Seriously, boss, I wanted to ask you, did you really have a son left behind outside? Isn't this just a miniature version of your face?!"

Chu Han Yu paused for a moment before pointing at the screen, revealing the little bun's excited face.

He felt as if he had discovered a new continent!

Ji Yuan looked calm and collected, his cold and malicious black pupils contracted slightly, his gaze fixed on the little bun's face on the monitor.

Seeing Ji Yuan's reaction, Chu Hanyu thought that he was angry, since the boss' personality was always volatile, temperamental and moody.

"Eh, I was just spouting nonsense. My eyes aren't good ..." Chu Han Yu immediately corrected himself.

"Last night, beside that woman, I slept for five hours." Ji Yuan suddenly said without any clue.

At first, Chu Han Yu was stunned, but soon after, his pupils dilated, and the teasing expression on his face was replaced with a serious one.

"Boss, are you joking?" Five hours? Since then, even with the help of medicine, you've only been able to sleep for two to three hours! "At that time, you will have to rely on hypnosis to fall asleep!"

It was precisely because of this that Ji Yuan's personality was especially malicious and cold, capricious and capricious.

If a person could not sleep well over the years, who would be in a good mood?

"You want me to joke with you?" Ji Yuan slightly raised his eyes, his black vortex-like pupils unblinkingly looked over.

Chu Hanyu felt as if she was being watched by a dormant beast, and a chill ran down her spine. She shook her head and spoke seriously, "This isn't simple at all. Was it a coincidence, or did a woman purposely send someone here?"

"Check."

"Yes sir!"

"..."

With Chu Hanyu's ability, it wouldn't be easy for him to investigate Mu Qinghuan.

It didn't take him long to thoroughly investigate Mu Qinghuan's background. However, looking at the photo of Mu Hanxin on the document, he could clearly see her facial features.

The more he looked at it, the more he looked like the boss!

Isn't this the boss' version?

He looks so much like her, are you sure he isn't father and son?

Chu Han Yu looked on, suddenly interested. "Go, find a way to get this child's hair and test his DNA!"

Chu Han Yu had only done so for a moment out of curiosity. When he was done, he felt that he had given up on the idea and didn't think too much about it.

Chapter 18

After Mu Qinghuan left her room, she immediately ran back home.

When Mu Qinghuan entered the house and saw the little bun, who was being helped to eat breakfast by Chi You Ran, she was extremely furious.

If it wasn't for him, how could she have slept in the same bed with that man for the entire night?!

Thinking about that man's cold and handsome face, Mu Qinghuan's face couldn't help but feel hot.

"Speak!" What happened yesterday? Do you know that I was nearly scared to death by you yesterday? " Mu Qinghuan shook her head and chased away the man's face from her mind as she solemnly looked at the little bun.

The more Mu Qinghuan thought about it, the more frightened she became. It was fortunate that her son was fine. What if he really was lost?

She didn't even dare to think about it. As soon as she thought about Mu Qinghuan, her nose turned sour and tears almost flowed down her face.

Seeing Mu Qinghuan's reaction, the little bun was scared stiff. He hurriedly threw his little fat arm into Mu Qinghuan's embrace and spoke with a choked voice, "I know my mistake, Mommy!" I just... "I just saw that uncle looked very similar to me, that's why I wanted to follow him ..."

"You ..." Mu Qinghuan was astonished. There was an unspeakable heartache and heartache in her heart.

She always knew that her son yearned for fatherly love from the bottom of his heart, but she never thought that the little bun would care so much about them.

For a moment, he couldn't bear to say any more words of blame. He could only hug the little bun tightly and softly say, "In the future, don't run around and let Mommy worry."

Watching from the side, Chi You Ran sighed.

He couldn't help but think to himself, the uncle in Little Treasure's mouth, could it be Ji Yuan?

With this incident, Mu Qinghuan simply let little bun stay at home. It just so happened that today was her day off, so she asked her good friend to stay at home and watch over little bun before going to the company by herself.

As soon as he entered the company, Mu Qinghuan's assistant came over to inform her that an important customer was already waiting for her in the meeting room.

Mu Qinghuan did not dare to delay any longer and directly headed for the meeting room.

The moment he opened the door, he saw Mu Ningyue sitting on the sofa, looking down as she flipped through a self-made magazine. Her posture was calm and graceful.

When she heard the commotion, she raised her head and looked at Mu Qinghuan, revealing an arrogant smile.

"As a designer, you actually made your customers wait. Mu Qinghuan, you're not qualified to be a designer at all." Mu Ningyue changed the subject and said, "But, who told you to be my big sister? I'll just give you some face and not fuss about it anymore, but you have to properly design my wine dress, and I'll give you a chance to make your name known. "

Mu Qinghuan tightly pinched the bag in her hands to hide her emotions.

However, his face remained unmoved. "Then, Miss Mu, please tell me about the dress style you want."

Mu Qinghuan had a businesslike expression, but no one could tell whether she was happy or angry. This kind of reaction made Mu Ningyue feel really

unhappy.

She was stunned for a moment. She didn't look at the dress design that Mu Qinghuan had passed to her. "Just follow your inspiration and design it. I don't have any requirements."

Mu Qinghuan frowned.

No requirements were the biggest requirements.

If she designed it according to her own thoughts and Mu Ningyue wasn't satisfied with it, she would randomly pick the wrong one.

"What, aren't you the chief designer? You can't even do such a simple thing? If that's the case, then it's fine. I'll tell your boss directly, let him re-examine your designers to see if they have the ability to do so. "

"Alright, then I'll take over. Does Miss Mu have any other requests?" Dress finished goods need time, when do you want it?"

Mu Qinghuan asked indifferently.

Chapter 20

"My wedding next month is in a hurry." Mu Ningyue curled her lips. "Next week, I'll be seeing a set of clothes. If you're not satisfied with it, you'll have time to modify it. Moreover, I want you to make this gown by yourself from design to production!"

Generally speaking, Mu Qinghuan only cared about designing the clothes. After designing the clothes, there would naturally be someone underneath responsible for making the clothes. At most, she would personally embroider the upper part of the embroidery.

However, Mu Ningyue's intention was to let her do the whole thing by herself.

And it was only a week's time!

She was clearly making things difficult for her!

"You ..."

"I believe in elder sister's craftsmanship. The price she's paying is one million more than the industry price. Your boss is sure that you'll definitely satisfy me." Mu Ningyue didn't wait for Mu Qinghuan to reject and spoke, her eyes full of ridicule.

"Alright, I understand." Mu Qinghuan knew that if she didn't agree, Mu Ningyue would definitely think of a way to force her to agree.

She had come here to order a dress just to make trouble for her.

If he didn't let her design it, how could she pick a fight with him?

"Since the discussion is over, I'll go back to my work." Mu Qinghuan had asked about the matters at work and didn't want to waste any more words with Mu Ningyue. She got up and was about to leave.

Just as she placed her hand on the doorknob, Mu Ningyue suddenly opened her mouth and spoke in a soft and gentle voice. Just by listening, one could feel the sweetness that seeped into one's bones.

"Hubby, let's go and try on your wedding clothes in a bit."

"Didn't you just try it?" Mu Ningyue had turned on her hands-free, so Ye Bei's voice was clearly heard by Mu Qinghuan.

After four years, the man's voice had become less immature and more mature.

Mu Qing held onto the door handle with an involuntary force, as though he was about to break it.

That man, she had once looked forward to working hand in hand with him to spend the rest of her life with him.

But in the end, she ended up getting herself betrayed by everyone!

Even if it was just hearing his voice, the bone-piercing hatred hidden in his heart could not help but slowly grow.

He really wanted to make this adulterous couple pay the price and take back everything that belonged to the Bai Clan from their hands!

However, Mu Qinghuan's expression had a different meaning in Mu Ningyue's eyes.

Indeed, she still couldn't let go of Ye Bei in her heart!

Heh!

But so what?

To Ye Bei was hers!

He had doted on her for these past four years and they were about to get married. From start to finish, Mu Qinghuan was only a loser who was stepped on by her feet!

Mu Ningyue's previous depressed mood from Mu Qinghuan's indifferent reaction finally eased up by a bit.

The voice became even sweeter, "I don't care, but I want to try again! "You must accompany me!"

"Good, good, good." On the other side of the phone, he said to Ye Bei helplessly and lovingly.

Mu Qing's heart didn't have any other emotions other than loathing. Four years ago, she didn't have the slightest bit of love for this man. Now, she only felt disgusted.

Mu Qinghuan opened the door to her office and walked out.

Mu Ningyue looked at Mu Qinghuan's disappearing figure as a mocking expression flashed in her eyes.

After Mu Qinghuan left the meeting room, she directly returned to her office and began her day's work.

Regarding Mu Ningyue's dress, she had to start designing it right now. It was only a week's time, so she had to do everything personally. She couldn't

delay even a single moment, and she even had to work overtime.

Time passed by as they busied themselves.

After a short while, the results of the DNA test were back in his hands.

Even before Chu Yu could open the report, he had already checked the DNA of his boss and the little bun.

He must be crazy.

But since he had already done so, there was no harm in taking a look.

Chu Han Yu opened the report without thinking, since it wasn't a father and son relationship anyway ...
